

Leadership McLean County *Class of 2022 Scholarship Application*

Leadership McLean County (LMC), a division on the McLean County Chamber of Commerce, offers a limited number of partial scholarships to accepted applicants of LMC each year. Scholarship recipients must show a need and explain how they plan to utilize their experience in LMC to benefit McLean County.

Full Tuition to attend LMC is \$1,200 for Chamber Members and \$1,500 for Non-Chamber Members. Scholarships are awarded to those individuals who are not able to take on the full financial responsibility of the tuition. It is the goal of LMC to strive for diversity of its class members and provide equitable access to programming, therefore the LMC Steering Committee is committed to ensure the cost of the program would not hinder a potential applicant from applying.

The scholarships cover part of the total tuition to participate. No full tuition scholarships are granted, as the Leadership McLean County Steering Committee believes that class members need to have some personal financial responsibility invested in the program in order for participants to engage fully in the program. Therefore, no scholarship will be awarded for more than half of the tuition amount.

Only after an applicant is selected for the LMC Class of 2022, will his/her scholarship application be reviewed. Applicants will receive notification of a scholarship award at the same time at which they are notified of the status of their selection into the LMC Class of 2022.

Applicants must complete the below scholarship information completely and submit the completed application by June 15, 2021 as an attachment to the full LMC Class of 2022 application online.
